no preperation

SUPPORT SERVICES FOR SCIENTISTS

IDEEN AUF EAHIL

 **HeleneGorring** @HeleneGorring · 17. Juni

How Health information professionals can help researchers with publishing
#openaccess #eahil2019

June 17, 2019 • Basel, Switzerland

- Search for appropriate journals
- Search for the right Creative Commons licences
- Ensure that the researcher has an Orcid
- Help with affiliation, acknowledgements, etc.
- Design a research data management plan
- Upload the manuscript in a repository
- Management of APCs
- Update the version of the document record in the repository
- Update the different profiles
- Promote research in social media
- Share research data
